Welcome to Year 3 at Newport Public School. It is an exciting and challenging year for the students with a plethora of new opportunities and experiences and we hope to make it a smooth and happy transition for them. Stationery items such as pencils, rulers and glue are not supplied by the school in Year 3 and it is essential that all children have everything they need for school as soon as possible. Of course, these items will need to be topped up throughout the year but this list is a great start.
