Order your Book List Items Online with flexischools

We know that shopping for your back to school stationery list can be stressful. This year we have added the stationery list for each grade to Flexischools, to make life a little easier. You can order from your phone, tablet or PC anytime and all packs will be delivered to the school, ready for distribution to students during the first weeks of Term 1, 2015. Last day for orders is **Monday 26 January**.

For those of you that have already registered for an account to order from the canteen, simply login to your account at [www.flexischools.com.au](http://www.flexischools.com.au) and you will now see the new Back to School Pack service.

Choose the pack for your child, based on the year they will be in for 2015.

We have pre-filled all the quantities for you. If you would like to purchase the entire pack, simply choose **SAVE AND CONTINUE**.

To reduce any of the items you do not require, for example if you would like to re-use a pencil case from last year, simply click the arrow next to the quantity and select 0.
Please note, when you view the items listed, all items in all Newport packs from K-6 are shown, however the items shaded blue (see image), are the items relevant for the grade chosen.

Other items that appear white (see image), are applicable to Newport, but are required for another grade.
